TicTacToe

Sudoku

Welcome to a mobile SAP GUI experience.

Liquid UI offers SAP mobility and UI customization without rebuilding or reprogramming logic or security.

Getting Started

- ✓ Get a taste for what's possible by tapping 'Demos' above
- ✓ Return to the 'Connections' screen in the Liquid UI app to connect to your own SAP system
- ✓ Or, take a break and play tic-tac-toe... inside SAP GUI!

News & Updates

- ✓ Liquid UI now supports credit card scanning to autofill payment info
- ✓ Liquid UI InPlace Edit allows UI editing within SAP GUI
- ✓ Liquid UI now supports SAP http
- ✓ Liquid UI now supports Salesforce integration
- ✓ Liquid UI Server now supports Kerberos SSO
