5(b). The “System Message Icon” shows as below, if the option “Use LiquidUI Icons” is selected.

The screenshot displays the 'Create Sales...' interface. At the top, there is a header bar with a menu icon, the 'LIQUID' logo, the text 'Create Sales...', a search icon, and a paintbrush icon. Below the header, there is a navigation bar with three tabs: 'Create with Reference', 'Sales', and 'Item'. A green 'ENTER' button is located to the right of the tabs. The main content area is light blue and contains an 'Order Type' field with a dropdown arrow. Below this, there is a section titled 'Organizational Data' with a grey header. This section contains five input fields: 'Sales Organization', 'Distribution Channel', 'Division', 'Sales Office', and 'Sales Group'. At the bottom of the interface, there is a dark blue footer bar. On the left side of this bar is a circular icon with the letter 'E' inside, which is highlighted by a red square. To the right of this icon, the text 'Fill in all required entry fields' is displayed.
