

## Input Field History Toggle on Liquid UI Android

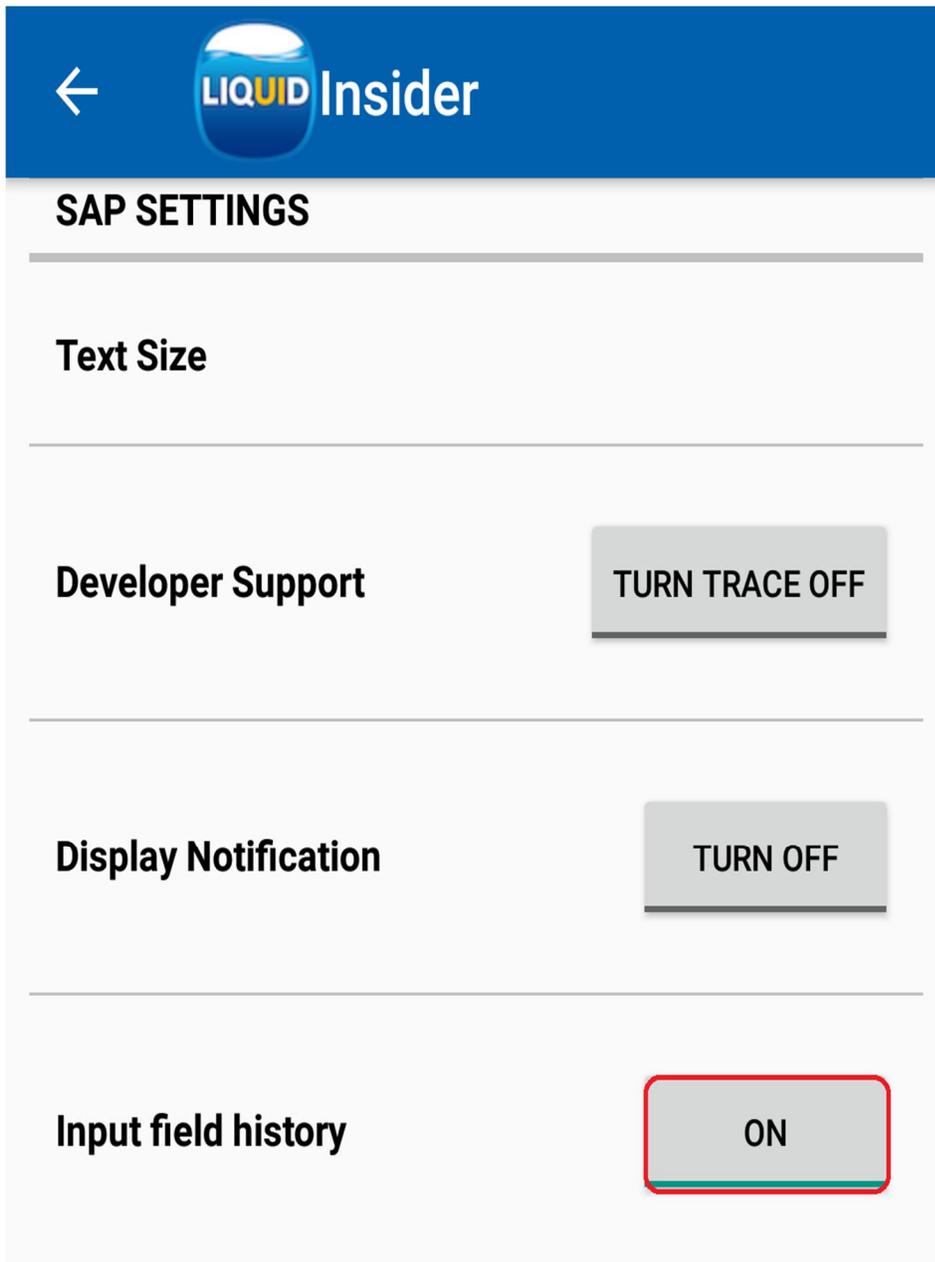

Purpose: To turn the “input field” history on/off.

Steps:

1. Navigate to the “App Settings” from the connection list screen.

2. In the “Insider”, toggle the option “Input field history” accordingly.

3. Navigate to any transaction to see the result.

When ON:

LIQUID Create Sales... 🔍 🗑️

📄 Create with Reference 🏔 Sales 🏔 Item ov **ENTER**

Order Type  🔍

**Organizational Data**

Sales Organization	<input type="text"/>
Distribution Channel	<input type="text"/>
Division	<input type="text"/>
Sales Office	<input type="text"/>
Sales Group	<input type="text"/>

When OFF:

The screenshot shows a mobile application interface for creating sales orders. At the top, there is a header bar with a menu icon (three horizontal lines), the "LIQUID" logo, the text "Create Sales...", a search icon (magnifying glass), and a brush icon. Below the header is a navigation bar with three options: "Create with Reference" (with a document icon), "Sales" (with a person icon), and "Item ov" (with a person icon). A green button labeled "ENTER" is positioned to the right of these options. Below the navigation bar is a section for "Order Type" with a dropdown menu showing a red-bordered box containing the letter "o" and a magnifying glass icon. Below this is a section titled "Organizational Data" with five rows, each containing a text input field and a small square selection box:

Organizational Data	
Sales Organization	<input type="checkbox"/>
Distribution Channel	<input type="checkbox"/>
Division	<input type="checkbox"/>
Sales Office	<input type="checkbox"/>
Sales Group	<input type="checkbox"/>
